

For Your Comfort

- Your comfort is our priority. We provide a variety of services to assure that you are comfortable at all times.
- Patients find that if they take an analgesic prior to treatment, it helps later in the day. Which do you prefer? Tylenol Advil Other
- We provide various levels of sedation. Would you benefit from a sedative?
 Yes No

If Yes, please indicate your preference:

- Nitrous Oxide
 - Mild Sedative pill
 - Moderate Sedative pill
 - I.V. Sedation (with our anesthesiologist)
- The Wand is today's most comfortable numbing technology and we use it routinely. Used in combination with an extremely effective topical medication, the Wand allows you to get numb feeling virtually nothing.
 - Our rooms are equipped with video players and movie glasses. Watching movies and videos is an excellent way to pass the time during your visit.

Would you like to watch a movie? Yes No

- If yes, what type of movies do you like? _____
Please feel free to bring your own.
 - Is there anything else we can do to make your visit more comfortable?
-
